Here, get fitted for your bike and head out on a warmup ride through rich local farmland. We'll stop for lunch with the locals in the fortified village of Castellaro before looping back to Borghetto. Spend the rest of the afternoon relaxing at our hotel and exploring Borghetto's boutiques and footbridges, or opt for a longer ride through the vineyards of the Custoza wine region. Tonight, we'll taste the Veneto's best pumpkin *tortelli*—the hand-stuffed pasta that's a regional specialty—on the riverside terrace of our favorite local restaurant.

Admire the Renaissance architecture of the town before meeting our friend Antonia who will welcome us into her family's *palazzo* for a home-made lunch. After lunch, opt to complete the ride back to the hotel or take a lift in the van. Tonight, our chef friend Serena will show us true Italian hospitality as we make pasta and share Italian cocktails at a cooking class that feels more like an intimate dinner party.

Soak up this history at the monumental tower of San Martino before continuing to Sirmione, the quaint lakefront town where we'll board our private boat for a lunchtime cruise on Lake Garda. Take in the mountain scenery and cool down with a dip in the brilliant blue waters of Italy's largest lake. We'll disembark in Bardolino where you can challenge yourself with an extra ride or transfer right to our stunning Relais & Châteaux accommodations. This evening, meet a local winemaker for a private vineyard dinner.
