Explore the village's outdoor market and scenic terraces created by its impressive position in the Luberon Valley. Next, climb to the high plateau of the Luberon where we're rewarded with incredible views from Murs followed by a well-deserved downhill and lunch in the quaint village of Joucas. Spin back to the hotel and spend the rest of the afternoon enjoying a poolside glass of chilled rosé. This evening, we'll regroup and head to dinner at a delightful family-run restaurant with a secret garden terrace.

Today we'll ride on through the forested heart of the Petit Luberon, peering out across the valley floor with its patchwork of orchards and vineyards. Enjoy a cappuccino and the view from the picturesque village of Lacoste then continue cycling to a family *domaine* just outside the town of Goult. There, we'll learn about Côtes du Luberon wines and enjoy a lovely picnic prepared by your guides. After, cruise to Roussillon, a charming village full of galleries, colorful adornments made by local artists, and astonishing ochre-colored cliffs. Spend the remainder of today as you wish—may we suggest treating yourself to a massage at the hotel spa? Later, we'll celebrate our week together with dinner beneath the foliage of a magnificent plane tree at the hotel's bistro restaurant.
