Start the morning with a leisurely breakfast or a swim to get invigorated for today's ride. A short transfer brings us to the starting point of the day, away from the coast up to the highlands. Sip your Turkish coffee while chatting with hospitable villagers and visit the local mosque. The descent back offers a breathtaking vista of the Gulf where you will return to the boat for lunch onboard. Relax on the deck as we depart for idyllic Sedir Island to anchor in its crystalline waters.
