Tour By Day

DAY 1

Welcome to Uruguay!

Your tour begins with a ferry transfer from Buenos Aires to Colonia del Sacramento, Uruguay—your DuVine guides will be waiting to greet you in Colonia the moment you step off the ferry. From there, it's off the Historic Quarter where a local guide leads us through the narrow cobblestoned streets and recounts how this World Heritage Site kept changing hands from crown to crown. We'll make our way towards the Portón de Campo to enjoy a light lunch by the Rio de la Plata, followed by a bike fitting and safety briefing. Our first ride heads towards Anchorena Park, and we'll enjoy panoramic views of the broad Uruguayan countryside as we pedal our mountain bikes along car-free country roads. This afternoon, transfer by van to the hotel and spend the rest of your day relaxing by the pool or exploring the beautiful grounds. Dinner is served at the hotel's restaurant as the brilliant sun sets over the Río de la Plata.

Our first destination is our friend's boutique winery, El Legado, where we're treated to a tasting of their varietals and a tour of the property. Continue riding towards Bodega Cordano, one of the oldest vineyards in Uruguay where we'll sample the flavors of a typical Uruguayan *asado*, including various meats and savory dishes. After lunch, pedal through the quaint settlement of Punta Gorda and loop back to our hotel via an easy tree-lined road, then rest up for an elegant evening. Tonight, transfer to Puerto Camacho for a private cruise on the Río de la Plata. Sip a glass of wine at sunset as we sail towards Punta Gorda, then return to the secluded marina where we'll dock and enjoy an intimate dinner.

Here, we'll meet Lobo Nuñez, a renowned Afro-Uruguayan drum luthier and legendary percussionist within the Uruguayan Candombe music scene. After feeling the beat, head to the city's vibrant Mercado del Puerto—the waterfront market full of energy, sights, and smells—for a typical *parrilla* lunch. Afterward, stroll through historic Ciudad Vieja, the oldest part of Montevideo, to La Rambla—a scenic promenade that separates the city from the Atlantic. There, we'll return to our bikes and ride the rest of the way to our hotel, following a path that traces the city's vibrant coastline. Tonight, join us for dinner at one of the trendiest restaurants in Montevideo.

The museum is the starting point for our coastal ride through Punta del Este, which leads us by small seaside villages and arrives to the Fundación Pablo Atchugarry Sculpture Park. Your guides will prepare a picnic lunch beneath the trees and in the midst of the outdoor sculptures and art installations. Our afternoon ride follows the shimmering shoreline past unspoiled beaches, colorful *chacras maritimas* beach shacks, and the raw landscape of the *campo*.
