Our Difference

EXPERT LOCAL GUIDES

Our guides aren't just charismatic hosts and experienced cyclists. They're locals who speak the language, know the roads, and put their spirit of spontaneity to work.

CULINARY-FORWARD FOCUS

DuVine tours have a distinctive gourmet flair: think family-run restaurants, intimate cooking classes, Michelin-starred meals, and wine tastings with vintners.

BOUTIQUE ACCOMMODATIONS

We hand-select luxurious hotels and properties that reveal the character of each destination, from a Turkish yacht to a fastidious farmhouse in Sonoma, California.

THOUGHTFUL TRIP DESIGN

Our local trip designers open doors and find guests a seat at the most exclusive tables, infusing every itinerary with their lifelong connections and personal community.

Scheduled + Private Departures

Our **scheduled departures** are based on itineraries that have been meticulously perfected over time. These are great options for solo travelers, couples, and groups.

Make it Private: Take an existing scheduled departure and reserve it for a group or select from our private-only itineraries.

Go Couture: Craft a custom tour with the help of our Trip Designers.
