Tour By Day

DAY
1

Bienvenue to Loire

Your guides will greet you at the Saint-Pierre-des-Corps train station for a transfer to nearby Azay-sur-Cher. After a bike fitting and safety briefing, we'll set out on a warmup ride along the Cher River. Pause in the town of Athée-sur-Cher for a country lunch then continue cycling to the emblematic Château de Chenonceau. We'll tour the expansive grounds and dueling gardens designed by Diane de Poitiers and Catherine de Medici. There's much to inspire the senses: Chenonceau is home to an unmatched collection of Renaissance furniture, 16th- and 17th-century tapestries, and priceless artwork. After our visit, hop back on the bike and head to our first hotel—a luxurious *relais* surrounded by gardens in the historic center of Amboise. Spend the rest of the afternoon settling in before we regroup for our first dinner together, where we'll enjoy Vouvray whites much as kings once did.

Meals: Lunch / Dinner

Destinations: Azay-sur-Cher, Athée-sur-Cher, Chenanceau, Amboise

Accomplished: 22 miles / 37 km, elevation gain: 803 feet / 245 meters

Accommodations: [Relais d'Amboise](#)

DAY
2

Vouvray Loop

Today we set out from a sea of Chenin Blanc vineyards in the Vouvray appellation and continue cycling until we reach Montlouis-sur-Loire for a coffee break by the Loire River. A few gentle rolling hills stand between us and lunch at our friend Louisa's winery: a passionate winemaker herself, Louisa has paired our meal with some of her favorite Château de Montdomaine wines. From there, it's a short ride back to our hotel, where we'll have time to relax before our illuminating visit to Le Clos Lucé, the one-time home of Leonardo da Vinci—it's rumored that the artist arrived holding the Mona Lisa and spent the final years of his life at this whimsical estate. The evening is yours to spend as you wish: wander the charming medieval streets of Amboise and choose your preferred restaurant for dinner on your own. Your guides are happy to suggest a few of their favorite places.

Meals: Breakfast / Lunch

Destinations: Montlouis-sur-Loire, Vouvray, Chançay, Amboise

Accomplished: 27 miles / 44 km, elevation gain: 928 feet / 283 meters

Accommodations: [Relais d'Amboise](#)

DAY
3

Cooking in the Countryside

This morning, we leave Amboise behind, cycling along quiet country roads that meander through forest and farmland. Following the river, we soon reach the village of Chaumont-sur-Loire, where we'll pause to admire its namesake 15th-century château before continuing to La Grange. There, we'll tie on our aprons and learn to prepare a beautiful zero-waste meal with herbs and vegetables from the garden. Back on our bikes, we pedal through a pastoral panorama en route to our next hotel, an elegant French country estate surrounded by nature. Treat yourself to a vinotherapy massage at the spa, explore the grounds, or sip a glass of chilled Romoratin from the estate's vines. Tonight we'll gather for a gastronomic dining experience at the hotel's Michelin-starred restaurant.

Meals: Breakfast / Lunch / Dinner

Destinations: Saint-Règle, Vallières-les-Grandes, Chaumont-sur-Loire, Cheverny

Accomplished: 32 miles / 52 km, elevation gain: 1,102 feet / 336 meters

Accommodations: [Les Sources de Cheverny](#)

DAY
4

Castles and Chocolate

After breakfast, pedal scenic roads all the way to the Château Chambord—a grand castle built in the 16th century that once served as a hunting lodge for François I. The brainchild of Leonardo da Vinci and a prime example of French Renaissance architecture, this château is now protected as a UNESCO-listed monument. Climb the famous double-helix staircase or stroll the manicured gardens, then enjoy a special picnic lunch prepared by your guides. Be sure to leave room for dessert—our ride continues to a local chocolate boutique where we'll learn (and of course taste) how the chocolate is made in this region. From there, it's a short spin back to our luxurious hotel. Spend the afternoon at the spa or relax by the pool. Regroup this evening to savor regional cuisine at our hotel's inviting bistro.

Meals: Breakfast / Lunch / Dinner

Destinations: Chambord, Bracieux, Cheverny

Accomplished: 33 miles / 54 km, elevation gain: 918 feet / 280 meters

Accommodations: [Les Sources de Cheverny](#)

DAY
5

Boating to Blois

Leave Cheverny behind and cycle through the peaceful Loire Valley countryside, passing vineyards, sunflower fields, and charming stone villages. Winding country roads lead to the banks of the Loire River, where a relaxing lunch offers the perfect opportunity to recharge and enjoy the flavors of the region. Afterward, board a traditional flat-bottomed boat and glide over the water to Blois, discovering the beauty of France's last wild river. Rich in royal history, Blois is renowned for its elegant old town and the magnificent Château Royal de Blois, home to a collection of more than 35,000 works of art. Our day ends at the elegant Fleur de Loire, the sublime five-star retreat where we'll spend our last night. Settle in then regather to toast our adventures before an unforgettable dinner at the hotel's two-Michelin- starred restaurant. *Bon appétit!*

Meals: Breakfast / Lunch / Dinner

Destinations: Saint Dye sur Loire, Blois

Accomplished: 23 miles / 38 km, elevation gain: 757 feet / 231 meters

Accommodations: [Fleur de Loire](#)

DAY
6

Au Revoir

Enjoy a peaceful breakfast at the château and perhaps a stroll along the Loire River or one last ride, saying goodbye to the Loire Valley however you see fit. Your guides see you off at the Blois train station.

Meals: Breakfast

Destinations: Blois

Accomplished: 11 miles / 18 km, elevation gain: 354 feet / 108 meters

YOUR TOUR DETAILS

Preparing for Your Tour

Travel Services

DuVine can assist with extended reservations at the first and final hotels on your scheduled itinerary, or with private transfers to and from your bike tour. DuVine's travel advisor partners are happy to assist with flight reservations. If you are not already working with an agent, please request a referral from your **Tour Coordinator**.

Travel Protection

DuVine offers a **Travel Protection Plan** to help protect your travel investment, your belongings, and most importantly, you. The offered Travel Protection Plan is non-refundable, but it is strongly recommended in the unfortunate event that you have to cancel or leave your trip.

NOTE: Plan benefits, limits, and provisions may vary by state or jurisdiction. In order to receive full benefits, Travel Protection must be purchased within 21 days of initial tour deposit. This plan is available to citizens of the U.S. and Canada only.

Gratuities

Gratuities are much appreciated to thank DuVine guides for exceptional service, support, and expertise. The industry standard is for each guest to tip 10-15% (U.S. tours and Cycle + Sail tours) or 7.5-10% (all other tours) of their trip price. The recommended per-traveler amount is an appropriate gratuity for your guide team as a whole. (It is not necessary to tip this amount *per* guide.) Tips are customary at the end of your tour, and local currency is always preferred. We recommend bringing extra cash or visiting the ATM at the beginning of your trip.

YOUR TOUR DETAILS

Bikes

DuVine's top-of-the-line bikes are tuned to perfection and fit specifically to you. Our performance bikes from premier manufacturers feature light frames, smooth-rolling tires, comfortable seats, and wide gear ranges for the best ride possible. Please [see our website](#) for the exact bike models offered on tour. E-bikes are available in most destinations on a first-come, first-served basis. Electric assist provides an extra boost to your own pedal power, so you can ride longer distances, tackle tougher climbs, and maintain a faster pace. Contact your Tour Coordinator if you are interested.

Electrical Overseas

If you're traveling abroad, you will most likely need an [adapter](#), which allows your device's plug to fit into foreign outlets. North American devices run on 110/125V electricity while the majority of the world runs on 220/240V. Converters and transformers change the voltage of electricity to match your device.

Training

First and foremost, get out on your bike and start logging some miles. Experience with the elements and terrain will help with your comfort level (balance, unexpected conditions, etc.) on tour. Nothing compares to the real thing, but if you can't cycle outside, consider spin classes. Always remember, training is a gradual process—don't try to overdo it or push yourself when you aren't ready. However, the most important part of training is to enjoy your ride! [Download a training guide](#) based on your Tour Level.

Travel Sustainably

DuVine is committed to sustainable travel and has been a 100% carbon neutral company since 2022. While cycling is an inherently eco-conscious mode of travel, we continuously seek ways to lessen our footprint, whether it be biodegradable water bottles or compostable gear mailers. [Read more](#) about sustainability at DuVine.

What We Provide

- Bike saddle
- GPS (where available)
- Flat pedals
- DuVine t-shirt and jersey
- Helmet
- Water bottle
- Snacks/nutrition
- Drawstring bag

Order DuVine Gear

Want DuVine bike shorts to match your complimentary jersey? To order, contact tourcoordinators@duvine.com. Gear is shipped free of charge to DuVine guests in the U.S. and Canada. For expedited shipping and guests outside of the U.S. and Canada, additional shipping fees will apply.

Do I need to bring special gear?

- Cycling shorts are designed to provide extra padding when spending the whole day in the saddle. Don't forget the chamois cream!
- If you bring your own cycling shoes, you must bring your own pedals. If you've never used clip-in pedals before, we don't recommend using them on tour.
- Arm and leg warmers are essential for cooler weather. Wear them with your short-sleeve jersey and shorts for lightweight, easy-to-pack, and effective warmth.
- Bike gloves are a preference, but are recommended for Level 3 and 4 tours. The padding in gloves can ease arm, shoulder, and joint fatigue.

Dressing for the Weather

- The location and time of year of your tour can bring all kinds of weather, from extreme heat to relentless rain. Check extended forecasts before your trip and pack accordingly.

Before You Go

- Ensure your passport is valid for 3-6 months after return date.
- Call your bank/credit cards to notify them of upcoming travel.
- Please limit your luggage to one medium-sized suitcase and one carry-on.

BIKE SAFETY

We strongly suggest you read these simple safety instructions and watch our [brief safety video](#). They will help you bike safely before and during your tour!

- Wear a helmet—this is mandatory on tour!
- Familiarize yourself with traffic laws and obey them. Bikes do not have the right of way, but most drivers are respectful to cyclists on the road. Always ride in the direction of traffic.
- Be aware of your surroundings at all times. Knowing what is in front of and behind you may help prevent an accident.
- Alert other riders around you by announcing the presence of traffic ("car up") or pot holes ("pot hole").
- When riding as a group, maintain distance between yourself and other cyclists
- Learn the hand signals to indicate when you are stopping or turning.
- Operate your bike consistently and predictably—avoiding erratic movements.
- Keep at least one hand on the handlebars at all times.
- Primarily use your rear brake.
- Always be aware of weather and road conditions and how they may affect your ability to brake.
- Never wear headphones or use speakers during rides.
- Always listen to additional instructions from your guides on tour.

If you have chosen an e-bike, be aware that it is slightly heavier, faster, and more powerful than a non-electric bike. Therefore, you should anticipate a different reaction when riding downhill, braking, or dismounting from an e-bike. Your guides can offer further instruction during your bike fitting and safety review.
