Bienvenue en Provence

Your guides will greet you at the Aix en Provence TGV train station, and the adventure begins! Transfer to the Couvent des Minimes, a luxury hotel and former convent with a new L'Occitane spa. After an essential safety talk and bike fitting, we set out on a warm-up ride and stop in the medieval town of Forcalquier for a fresh, local lunch. After, pedal on rolling roads lined with grazing deer, lavender fields, and pre-alpine forest. Back at the hotel, take advantage of the spa before we reunite for a pre-dinner cocktail. Our first dinner is an introduction to traditional Provençal gastronomie at the Brasserie Pampérigouste. *Bon appétit!*

This morning's ride travels through peaceful landscapes of pine trees and lavender fields against a backdrop of brilliant blue sky. It's a real-life representation of the scenery that inspired artists and attracted them to communities all around Provence. A picnic lunch awaits at a local lavender distillery where we'll discover the secrets of the region's prized "purple gold" amid endless fragrant fields. From there it's just a short ride to our final hotel, a chic country estate where we'll spend the next two nights. Get settled and unwind by the pool with a glass of chilled rosé. Later we'll regather for a seasonal feast at the hotel's open-air bistro.

Lavender, Markets, and Wine

Today's ride begins with a gentle descent into Goult, where we'll stop for coffee in the charming town center. From there, a gradual climb brings us to the picturesque hilltop village of Gordes. Explore the vibrant outdoor market—a perfect place to shop for lavender souvenirs and fragrant Provençal herbs—then enjoy an exhilarating downhill through a patchwork of lavender fields, vineyards, and Provençal garrigues (shrubland). We'll pause to admire the iconic Abbaye de Senanque, its lavender fields in full bloom, before continuing to the quaint village of Murs for a well-deserved lunch. Afterward, choose to ride back to the hotel or transfer by van for a bit more downtime. The afternoon is yours—take a refreshing swim or treat yourself to a massage at the hotel spa. Travel Protection

DuVine offers a **Travel Protection Plan** to help protect your travel investment, your belongings, and most importantly, you. The offered Travel Protection Plan is non-refundable, but it is strongly recommended in the unfortunate event that you have to cancel or leave your trip.

NOTE: Plan benefits, limits, and provisions may vary by state or jurisdiction. In order to receive full benefits, Travel Protection must be purchased within 21 days of initial tour deposit. This plan is available to citizens of the U.S. and Canada only.

Gratuities

Gratuities for guides are much appreciated to thank them for exceptional service, support, and expertise. The industry standard is for each guest to tip 10-15% (U.S. tours and Cycle + Sail tours) or 7.5-10% (all other tours) of their trip price at the end of the tour. Unless you want to tip separately, guides will divide tips among themselves. Tips in local currency are always preferred. We recommend bringing extra cash or visiting the ATM at the beginning of your trip. For alternate methods of tipping (including Venmo, PayPal, and TransferWise), **please see our FAQs**.

YOUR TOUR DETAILS

Bikes

DuVine's top-of-the-line bikes are tuned to perfection and fit specifically to you. Our performance bikes from premier manufacturers feature light frames, smooth-rolling tires, comfortable seats, and wide gear ranges for the best ride possible. Please see our website for the exact bike models offered on tour. Additionally, e-bikes are available on most DuVine tours. Electric assist provides an extra boost to your own pedal power, so you can ride longer distances, tackle tougher climbs, and maintain a faster pace. Electric assist is available on a first-come, first-served basis. Contact your Tour Coordinator if you are interested.

Electrical Overseas

If you're traveling abroad, you will most likely need an [adapter](#), which allows your device's plug to fit into foreign outlets. North American devices run on 110/125V electricity while the majority of the world runs on 220/240V. Converters and transformers change the voltage of electricity to match your device.

Training

First and foremost, get out on your bike and start logging some miles. Nothing compares to the real thing, but if you can't cycle outside, consider spin classes. Experience with the elements of wind, actual hills, terrain, etc will help with your comfort level (balance, unexpected conditions, etc.) on tour. Always remember, training is a gradual process—don't try to overdo it or push yourself when you aren't ready. However, the most important part of training is to enjoy your ride! [Download a training guide](#) based on your Tour Level.

Travel Sustainably

We believe bike travel should leave little behind. DuVine takes small measures to be greener—like eliminating single-use plastic water bottles, replacing paper maps with GPS, returning your pedals in cloth bags, and offering snacks in reusable containers rather than disposable plastic.

Do I need to bring special gear?

- Cycling shorts are designed to provide extra padding when spending the whole day in the saddle. Don't forget the chamois cream!
- If you bring your own cycling shoes, you must bring your own pedals. If you've never used clip-in pedals before, we don't recommend using them on tour.
- Arm and leg warmers are essential for cooler weather. Wear them with your short-sleeve jersey and shorts for lightweight, easy-to-pack, and effective warmth.
- Bike gloves are a preference, but are recommended for Level 3 and 4 tours. The padding in gloves can ease arm, shoulder, and joint fatigue.

Dressing for the Weather

- The location and time of year of your tour can bring all kinds of weather, from extreme heat to relentless rain. Check extended forecasts before your trip and pack accordingly.

Before You Go

- Ensure your passport is valid for 3-6 months after return date.
- Call your bank/credit cards to notify them of upcoming travel.
- Please limit your luggage to one medium-sized suitcase and one carry-on.
